**Year of Mission:** Peace is ushered in again in this week's gospel as Luke picks up the narrative after that encounter on the Emmaus road. Jesus feeds the frightened disciples with the word of the scriptures and he breaks it open so that they might see more clearly and so understand. This is not a ghost speaking to them; this is the Risen Christ empowering them and commissioning them with his word and sending them out. Through preaching, through forgiveness, through their witness, through their attentiveness to the scriptures they bring Christ to the world. The Risen Christ feeds us each and every time we come to the Eucharist. He feeds us with his word and with the gift of his Body and Blood. He feeds us in order to bring us the peace of knowing he is with us. Maybe this week is about us being living witnesses of his loving presence to those who need to know Christ's peace. May our way of speaking and the way we live put others at peace because in us they know the Lord is near.
